

Kia ora Dalefield families,

CROSS-COUNTRY

Yesterday we (*sadly, I was unable to attend as I was at a meeting in Wellington*) all jumped on a bus and headed to Gladstone School for the cross-country. The weather was kind and there were some great efforts too.

Great effort yesterday!

Well done all participants and to Charlotte, congratulations on your first place!

DALEFIELD VALUES

Environment

We have been learning about the Dalefield environmental value. From keeping our learning spaces clean, our grounds free of rubbish and to what makes a great learning environment, we are exploring "Environment" in depth. We will continue this aspect of our values into next week also.

Fundraising

A big thank you for the outstanding sales effort with the chocolates. Remember that as soon as you bring your money to Lisa in the office, you can get another box to sell. Well done everyone!

Helping at Home

The Ministry of Education site has fantastic information for families. The following link is invaluable, offering ways you can

support your child's learning at home:

One Year at School!

Congratulations Hikitia, Awatea and Alfred on this milestone!
