## Te Waka Eke Noa We Are All In This Together South Wairarapa Community of Learning Focus Group

Our schools in Carterton and the South Wairarapa are creating a 'community of learning'. By 'community' we mean everyone connected to the Carterton and South Wairarapa community - whānau, businesses, community groups, iwi, and schools.

We want our community to come together to ensure that all our young people feel successful and confident as they step into the future. We need to think carefully about how we support our young people to make this happen. Your ideas about how we can all work collaboratively for the good of our young people are vital to the success of our community of learning. This is your opportunity to give us your opinions and ideas about possibilities for education in the future for our region.

Ehara taku toa, he takitahi, he toa takitini - my success should not be bestowed on me alone, as it was not individual success but success of the collective.

PLEASE COMPLETE BEFORE AUGUST 10.

## Quiz Night

Thanks to the Home and School for organising this Saturday's quiz night - we are all looking forward to a great evening!

“...From the H & S

Hi Everyone,

Just a reminder about bringing your plates of sweet or savoury food back to school tomorrow (Friday).

If you can please leave them in the staff room that would be much appreciated.

Thank you for your support.

Regards,

Dalefield Home & School...”
