

Dalefield School

Kia ora Dalefield families,

A very warm *welcome back* to Tracy after her honeymoon in the UK. It's great to have you back *Mrs Hewlett!* A big *thank you* to Emily Enoka too. Emily taught in Room 3 over the last four weeks whilst *Ms Money* was away.

Classrooms

Some great new furniture has arrived at school this week. A range of seating and tables of different heights, will allow students greater options when using their learning space. As children start to develop an understanding of how, when and with whom they learn best, opportunities start to open for them. It is with this in mind that they have come out with a hub layout of their own.

DALEFIELD VALUES

Integrity

We have been learning about what it means to display integrity. This has been very successful and we have seen the most impressive examples of it displayed over the week.

Fundraising

The Home and School have organised a Whittaker's chocolate fundraiser. This is very profitable for the school and there will be prizes offered for the most boxes sold. Children will be receiving two boxes on Monday. The boxes contain 36 bars that sell for \$2 each. All money is due back at the school by Monday 26th June. Updates will be in the newsletter over the next four weeks.

Nga mihi

Eric Daubé
