

Kia ora Dalefield families,

Keeping safe online

Today's online environment is an amazing tool and a big part of many of our lives. There are however dangers and the following site has a wealth of information for children/families about being safe online:

<https://www.netsafe.org.nz/keeping-kids-safe-online/>

<https://www.netsafe.org.nz/how-can-i-put-parental-controls-on-my-childs-mobile-phone/>

Please take the opportunity to talk to your child about being safe online. We are following this up at school and thank you for your support.

Board of Trustees Election

A reminder that your voting papers are due in Monday morning at the latest. I very much look forward to working with a new Board of Trustees as we embark on a new phase of our Dalefield journey.

Students' work

Last week I mentioned that we will be showcasing students' work in newsletters. The first instalment will now be next week, as students will be involved in the production of the newsletters from then. I/we look forward to the first instalment!

Save The Dates!

19 September: School photos - details shortly

21 October: Dalefield School Lamb and Calf Day

Home and School

The Home and School Committee are a great team. Please consider coming along to this meeting. It's a great way to meet new people and support the school.

Hello Everyone,

The Dalefield Home and School Committee AGM will be held at Dalefield School next Thursday 7th September at 7:30pm. Come and meet the committee members and find out what we do. We'd love to see some new faces and gather new ideas for fundraising.

See you all there,

Viv

(Secretary H&S Committee)

Nga mihi

Eric Daubé

Principal
