

17 August 2017

Dear Parents.

During the last four weeks we have been having Rippa Rugby sessions with Doug Bracewell from the Wairarapa Rugby Union.

South End School have offered to play some games against us to increase our understanding of the game.

These will take place next Monday morning 21st August and include all the Year 3 -8 students. We will leave school at 9.10am. Games start at 9.30am. We anticipate being approximately an hour. We would love to have supporters and transport for both directions.

All students need to wear clothing to play in, including their school t-shirt and have a change of clothes for returning to school.

Please indicate your permission below.

Many Thanks.

Jeanette Stokes, Cath Carroll and Eric Daubé.
