

Kia ora Dalefield Whānau,

Learning conferences tomorrow.

A reminder that the learning conferences are underway tomorrow afternoon from 2:00 pm. I will be supervising students in the library from 1:45 till 3:00 pm. Thank you to everyone who has already booked - that is fantastic! If you haven't yet booked, please log in to:

<https://www.schoolinterviews.co.nz/code> and then apply the event code:

pu98d

I look forward to seeing you all there tomorrow afternoon/evening.

107.5DFM

Huge thanks to Brent Gare from More FM, who visited the radio team last Wednesday

Our school's radio station is available 24/7 on a live stream. This stream is accessed through the station website. There is a link to this on Dalefield School's home page also. As mentioned in the last newsletter, the station's success depends

on the students leading its direction. The school is indebted to the input from Carterton resident and retired teacher, Clint Chalmers for his assistance and expertise. Term 3 is going to see some very exciting developments on 107.5DFM especially around student music and story-telling.

A Night Under The Stars

Things are starting to hot up here at school as the excitement builds for the production. The children with a speaking role in the show will receive a script tomorrow, for the learning of lines.

I can confirm the performance dates as **Thursday 12 September**. There will be a **matinee performance at 1:30 pm** followed by an **evening one at 6:30 pm**. Kuranui College have donated use of their auditorium for the shows for which we are very grateful. They have also made available, Wednesday morning (11th) for a dress rehearsal. We will be in touch next week about transport arrangements for this rehearsal and ticket details.

Thank you to whānau who have offered assistance with sewing (any other offers still accepted) and prop-making. We will be in touch with you this week about costume details for the aliens and how we can organise the sewing.

The Building Works

The deck out the front is now finished and we are thrilled with the way it looks and also for its potential as an extension to the learning space.

Mangatarere Years 4 - 8 Trip to Wellington

Today you will have received the notice about next week's trip to Wellington. Please forward permission and payment to the school as soon as possible.

Football Tournament last Thursday

Congratulations to all participants in the tournament held in Featherston last Thursday. What great ambassadors you were for Dalefield School.

Maths Week 2019 is now underway. This is a great site with links to NZ maths and a whole heap of great mathematics activities you can do at home with your students.

Communication

Dalefield School has introduced a range of ways to communicate with our community. There are always the school newsletters accessed through email. Did you know that the newsletter page on the website has all

current and past newsletters? Check out here! We also have a school App that you can download for your phone. This is a fantastic App that we would like to start making greater use of. Our aim is to have 100% of

our families using the App. Dalefield School is also on Facebook. If you use Facebook we will always have interesting posts up for you to keep up-to-date with what's on.

As always I am available for a chat and I look forward to seeing you all over the term.

Ngā mihi

Eric Daubé

Principal
